Re: Foreign Patents on the
Plastic Cigarette Container
Your File 582 - 335 FOREIGN

Dear Elmer:

In reply to your letter of May 24, 1967, I have discussed this matter with our International people and it is their desire that we proceed to pay the taxes on our plastic package patent for the coming year.

This approval, of course, includes those higher-rate countries specified in your letter.

Sincerely,

Clifford H. Goldsmith
